

This weekend, a select group of Speaking Bobcats (2 seniors and 3 juniors) traveled to the Forensics Fiesta hosted by Western Kentucky University. This small, but powerful group of Bobcat Speakers did exceptionally well up against much larger teams, winning 2nd place in team sweepstakes and also taking home the Team Quality Award (most points per competitor). The Junior/Senior Bobcat team won awards in 12 of the 16 events they entered. The strong leadership by our upperclass team members provides a firm foundation of competitive excellence for our ever-growing team.

Please join me in congratulating the following students on their recent success:

*Dani Bernat (Senior) took the L.S.A.T. this weekend, and could not join her fellow Senior Bobcats at this tournament. BEST WISHES, DANI!!! We hope it went well!

Wish us luck as we head to two tournaments this weekend at Illinois State University and Bradley University.
