

OHIO  
UNIVERSITY

Even though the Halloween party started early at Ohio U, a select group of forensics students spent Saturday in Huntington, WV competing at the Chief Justice Speech and Debate Tournament at Marshall University, October 30-31, 2009. The team was small...and mighty bringing home yet another Team Sweepstakes victory (376 pts) ahead of National Champions Western Kentucky (172 pts) and BGSU (157 pts).

Wish us luck as we head to Bradley University for the L.E. Norton invitational this coming weekend.

Please join me in congratulating the following students on their recent success:
